a. Seneschal

Would like to know if anyone knows where the waivers for last year's Archery Fest are. They were produced at meeting. Just sent off waivers for previous Yule feast and Hopping Phules War. Still has not sent in date request for Baronesses War. Thinks his deputy is a slacker.

b. Exchequer

As of tomorrow, we have \$5162.49 in bank, including money from Archery Fest. Had 77 people, 14 non-members, took in \$878 from gate, 145.30 from bake sale and got a check for \$110 from Wastekeep for ½ of gate from Seargents. Chronicler has been added to bank acct.

c. Chronicler

Will have signal out by end of month, also taking notes

d. Herald

Not here – As current Herlad has little time for position, Senechel has called for request for people who would like to volunteer for position.

e. Master of Stables

Did not have practice last week due to no sight for practice. We do have temp arrangements with Baroness for building until we can find permanent site.

- f. Branch Rapier Marshall  
Alric got carded at Wastekeep, if we get sight in Toppenish, will probably not be able to do rapier practice there due to weapon policy.
  
- g. Archer  
Archery practice down for now due to darkness. Moving to Mt. Clemens for practice every two weeks. Dates will be posted on website. Barony has key to building until Jan.
  
- h. Arts and Science  
Had an A&S comp. At archery Fest for period archer. Bacchus won. Not many people knew about competition. Involved persona, archer's kit, and more. Will do more advertising for this for next year. Due to Archery Fest and other commitments, wasn't able to devote much time to the wall project, but will be able to work on it more this month.
  
- i. Chatelaine  
Encouraged new people to walk around and participate at Archery Fest
  
- j. Chamberlain  
All of the Baronail "Stuff" back where it's supposed to be. Will add baronail coronets to baronail inventory after appraisal.
  
- k. First Aider  
Nobody complained about injuries
  
- l. Lists  
Had a couple tournaments, someone "Alaric (sp?)" won "Light, you're dead!", had 60 people signed up. Moved a lot faster with 3 shooters on the line. Rasmus won box tourney and is now the new Baronial Protector.
  
- m. Web Master  
Vote for Ryan Arrowseeker as new webmaster – vote passed. Ryan Arrowseeker is new webminister. Domain should expire. (Feb. 2010)
  
- n. Librarian  
Not present. Tournaments Illuminated is \$15/year, only 4 issues, Complete Anachronist is \$10/year, not sure how many per year. Motion to get a subscription to Complete Anachronist for library passed. Senechel will have discussion with Librarian about how to obtain subscription.
